## Clayton's Pharmacy to open Dec. 18

In addition to prescription medicine services, Clayton's will offer all manner of over-the-counter medicines and sports supplements, along with home health accessories such as walkers and wheelchairs. A native of Salisbury, owner Lisa Brooks now lives in East New Market. She has been thinking about opening her own pharmacy since earning her doctoral degree from the University of Maryland in 2005. Late this summer, she and her husband, Clay, bought the building that formerly housed the Rug and Antique Gallery.

## DCA to fund restoration of Tubman mural

The Maryland State Arts Council recently awarded a \$4,750 grant to the Dorchester Center for the Arts (DCA) to fund the restoration of an outdoor mural in Cambridge's Harriet Tubman Memorial Garden that was defaced in August 2009. Charles Ross, an artist and direct descendent of Harriet Tubman, will restore the mural. His design plan has been approved by representatives of local government and the community. The project should be completed by July 2011. The memorial garden is located along Route 50 near Washington Street.

## Why celebrate small businesses?

Small businesses are the heartbeat of local communities and the engine of the U.S. economy. So it made sense to start a national movement to celebrate them on the Saturday after Thanksgiving. Small Business Saturday, which happened this year on Nov. 27, was embraced by cities nationwide (including Cambridge) as a way to encourage people to support small, independently owned local businesses—just like the ones we have in our downtown. A few highlights from recent research:

- For every \$100 spent at local small businesses, \$68 returns to the community.
- Over the past two decades, small businesses created 65 percent of net new jobs.
- Small businesses employ half of all private sector employees.
- Small businesses represent 99.7% of all employer firms.

Thanks to all our local businesses that create jobs, boost the economy, and invigorate neighborhoods across the country!

# CAMBRIDGE HOLIDAY FUN!

## Dads & Kids Day Dec. 18

Main Street board member Brett Summers is looking to start a new family tradition. On the last Saturday before Christmas, Dads and Granddads give moms a much-needed day off and take the kids downtown for shopping, dining, and sight-seeing. "Most Dads are last-minute shoppers anyway," Summers says with a laugh. "Treat the kids to lunch downtown. Take them to see the Garden of Trains or the Rudolph show at the arts center or one of our galleries and museums. Then head into the shops in search of the perfect gifts for moms, grandmoms, and other loved ones." This year's Dads & Kids Holiday Outing will be held from 11am to 5pm on Dec. 18. For up-to-date information, visit [cambridgemainstreet.com](http://cambridgemainstreet.com).

In fact, if you show \$40 in Friday evening store receipts at any of four downtown restaurants (Bistro Poplar, Canvasback, Jimmie & Sook's, or Leaky Pete's), you'll get a free glass of wine with your snack or meal!

## THE BUZZ

**1 FISH STORY:** Cambridge captain Fred Pomeroy takes folks out to fish on his boat, the *Liza Jo*. Recently, the *Liza Jo* had her biggest ever rockfish (45 inches) on the decks, thanks to one of Fred's talented anglers. To celebrate, they asked Chef Ian Campbell of **Bistro Poplar** to cook it up. So a recent Monday night saw Capt. Pomeroy and about a dozen folks feasting on the rockfish, cooked three different ways. Now that's a great fish story!

**2 CLARIFICATION:** Last month we reported that an exciting expansion was in the works at **Chesapeake Classics**. They are going to be selling hunting, fishing, birding, and outdoors supplies—and adding 2,400 square feet to their store. However, we mistakenly said the expansion might be ready this month—it turns out that the licensing process involved in obtaining a federal permit to sell firearms is likely to put the timetable into the first quarter of 2011. Stay tuned for details!

## Toy drive at Paul's Subs

Want to help one of our downtown businesses help families in need? Drop off new, unwrapped toys for kids at Paul's Subs. Owner Paul Baiers will be distributing the toys to local families in need at Christmastime. Do you know a Cambridge family that finds themselves in need this holiday season? **Looking ornamental:** Linda Starling shows off a jellyfish as she, Deborah Coffin Kennedy, and other members of the Wednesday Morning Artists turn recycled paper into ornaments to festoon the tree in the Dorchester Center for the Arts window. ## Green Team leads tree-planting effort

A big thank you to the Cambridge Main Street Green Team, whose volunteers spent last Saturday morning planting 10 trees along Maryland Avenue. Why are they planting trees? Because Maryland Avenue is a key gateway to our downtown, and trees will provide beauty and shade, not to mention oxygen. The city is buying some of the trees; private citizens are pitching in to buy some others. If you're interested in donating to this ongoing effort, please send an e-mail to [office@cambridgemainstreet.com](mailto:office@cambridgemainstreet.com).

Cambridge's mayor and City Council were out in full force to help with the tree planting. [Photo by Brian Roche]
